Hi

Just as a reminder, would like to say to Deb that we gave the state a heads up. Can you make that happen and let me know what they said?

Thanks for quick work on this

Jane

Hi Nate and All

Looks like Deb wants to review. In order to give her time for your Thursday deadline, we need to get it to her on Wednesday (as per Ken's message). Let me know a projected time tomorrow when another draft is expected – I am in Chelmsford tomorrow but would like to look at the revised draft before I send to Deb. Will be in touch. Call my cell 781-264-1789, if any questions/problems.
